AWARD WINNING PRODUCT DESIGN

RUSSIAN DESIGN PAVILION

 Silver A' Design Award Winner
in Event and Happening Design Category, 2013 - 2014.

Russian Design Pavilion
by Anastasia Krylova & Maria Tvardovskaya

Program of design events: exhibitions, design contests, workshops, educational design consulting and publishing projects aiming to promote Russian designers and brands abroad. Our activities stimulate Russian speaking designers to perfect their knowledge and skills through international projects and help them to understand their role in design community, how to promote and make their products competitive, and create true innovations.
